COVID-19 REQUIREMENTS

First and foremost, the health and safety of all is our top priority. We also need to follow the state and local health requirements. Please do your part to ensure the event meets these standards.

Due to these restrictions we need to adjust plans and activities - you should expect to make changes as compared to last year. We hope you will find creative options that will still meet your objectives for sponsoring the hole and are happy to help with ideas or guidance.

1. Please wear a mask when indoors, outdoors if waiting in line, or when social distancing is not possible, such as when driving in your golf cart.
2. Any food or drinks must come from Soldier Hollow Grill or Wasatch Park Café and must be prepackaged in individual serving sizes. We function under each caterer’s Food Handler’s Permit and Alcohol License. No outside food will be allowed on the course. No cooking or food prep will be allowed on the course.
3. Any items (food or swag) you are distributing to the players should be given directly to them with a gloved hand or set upon a tabletop where they can pick-up the item without touching other items. Players may not reach into a container or cooler to retrieve an item.
4. Sanitize anything that will be used or touched by the players, such as a game, golf items (club, balls, etc.), pens, etc. between each use. You will be responsible for sanitizing supplies. We encourage activities that do not involve touching a game piece (e.g. using a player’s own club) and having a dedicated person to write down player contact details or other info, rather than having the players touch pens and paper.

Please note that additional restrictions may be added as we get closer to the event. The public health requirements are regularly being updated in accordance with local COVID infection rates and developing best practice. Please have patience and bear with us!
TOOT YOUR HORN!
Hole sponsors are strongly encouraged to promote the service they provide to the industry. This can be done through brochures, games, contests, a representative, refreshments (from Soldier Hollow Grill or Wasatch Park Cafe), promotional items, samples, etc. Contact UPA if you have plans for large prize contest, as they require insurance, committee approval and coordination of logistics that will vary from previous years.

SIGNS
UPA will provide an 18” x 24” sign with logo for each sponsor and will have it placed at the hole for you. Please send a current company logo in a vector format unless already on file. You are welcome to bring any additional signage.

EQUIPMENT AND SET-UP
Each hole sponsor is responsible for any equipment, tent, awning, or table set-up at their holes. Be mindful that we will be out in the elements, so wind, sun or rain may be a factor. Tents and awnings must be very sturdy to survive the winds at Soldier Hollow. To avoid the confusion at registration time, we would prefer that you set-up your hole(s) EARLY! Begin at 6:30 a.m. and try to finish before 7:30 a.m. Some holes are accessible, but most require a cart and only a few golf carts will be available, first come first serve. If you have questions, special needs or set-up requirements for your specific location, please contact the golf course directly.

Soldier Hollow Golf Course: Chris Newson - (435) 654-7442
Wasatch Mtn. Golf Course: Chris Stover - (435) 654-0532

REFRESHMENTS
Please do not bring refreshments onto the course that have been purchased elsewhere. Golf course policies require that ALL refreshments provided at the holes must be purchased through the Soldier Hollow Grill or Wasatch Park Cafe. Keep in mind the COVID-19 restrictions noted above or otherwise applicable at the time of the event. See additional information on Catering Information below. Be sure to settle up your account before you leave. To place your orders:

Soldier Hollow Grill: Rob or Abbey - (435) 654-9112 or
Wasatch Park Café contact: Mitch or Holly - (435) 654-2139

SWAG OR RAFFLE ITEMS
You may absolutely distribute swag at your sponsored hole. We are also pleased to accept any donations for our gift bags or raffle drawing. We have approximately 288 gift bags for Soldier Hollow. However, any amount will be put to good use. Smaller items (pens, divot repair tools, golf balls, mugs, etc.) will be included in our gift bags, and larger items (trips, sweatshirts, golf clubs, iPads, TV’s, etc.) will be reserved for our raffle drawing. Please contact Jennette if you have donations, as we like to include your name in our program as a contributor and can make drop-off arrangements. We thank you for your generosity!
To place an order, contact:
Abbey (435) 654-9112 or Rob (435) 503-2065 Mobile
